Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our | Trains Leave. afflicted fellow citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:-

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. Multitudes can, by the aid of the remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the THE BE STATE vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. with the amendments thereto, and the subsequen Even where no particular disorder is felt, people | legislation, with notes and references . judicial decisions. enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves, much the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the

Of the State of ndiana,

CONTAINING THE REVISED STATUTES OF 1852

EDITED BY JAMES GAVIN AND OSCAR ORD. Volume 1, Published by

BINGHAM & DOUGHTY, INDIANAPOLIS.

Judge David McDonald, one of the most eminent lawyers of the State, volunteered the followinecommendation of the work:

STATUTES OF INDIANA, BY GAVIN & HORD .- Some months ago, the above named gentlemen issued proposals for publishing, in two volumes octavo of some 800 pages each, al the statutes of the State passed since 1851, with annotations. The first volume of the work is now published; and the manner of its execution, both mechanically and editoknows how annoying and provoking this is, especially in the hurry of business as in our Courts. Happily for the profession, the publication under consideration promises a etter state of things in the future. The first volume o Messrs. Gavin & Hord's work contains an excellent and eader of the contents of the page.

copious index, which to every practicing lawyer in the tate is itself worth the money which the volume costs. The volume under review contains another excellence Ilits pages are supplied with valuable marginal indices, to that a glance at the margin is sufficient to apprise the Another matter of great importance to the lawyer in this volume is a good collection of the subjects of all legislation since 1851. Heretofore, the lawyer in examining our legislation on any given subject had first to find what was relevant to it in the Revision of 1852, and then to turn over the pages of the volumes of subsequent Statutes, to see how far recent legislation may have repealed or mod'fied the provisions contained in that Revision, and even then he would often feel doubt whether he had found all the legislation on the subject of his inquiry. Messrs. Gavin and Hord have relieved us of all this trouble and doubt. They have collected together in consecutive pages all the statutes made since 1851, on the same subject, Thus, on pages 373 to 377 of their first volume they have collected all our legislation, now in force, on the subject o husband and wife, including the act of 1852 and three act of 1857. And they have followed the same mode o coocation, in appropriate consecutive pages, in regard to all

Constitution of Indiana, and several important acts of Virginia and statutes of Congress, and a large portion o our priate pages, in the form of neat, brief and accurate noteand references. Messrs, Gavin & Hord seem to have performed this part of their work exceedingly well. It must have cost them much care and labor. By it they have greatly lessened the labor of the practising lawyer, and have well merited his grateful approval. In every respect the volume under review is highly reditable to the dilligence, accuracy, talents and the taste o its editors, as well as to the mechanical skill and neatness of its publishers, and it must raise the just expectation of the profession, as to the value of the second volume, which we understand will be forthcoming in a few months, and which will contain the code of pleading and practice o Liver Complaint, Dropsy, Tetter, Tumors and 1852, with sebsequent amendments and other statutes. Without any concert with the editors or publishers of the volume in question, the writer of this article has been induced to compose and publish this little review of the book. solely because he believes the editors and publishers detive can take them pleasantly, and they are the serve high commendation for their performance. He best aperient in the world for all the purposes of a therefore, deems it but just to them, without being solicited to it by any one, to publish this notice of the book, over his own proper name. LIGONIER, Noble county, Indiana, Feb. 5 1859. Prof. O. J. Wood, Dear Sir-In the latter part of the year 1852, while attending to the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the

Since that time I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances,

From the time I first discovered its dropping, however, up to the time of its total disappear-
